Bug Report – Aurazone Website

Bug 1: Product image gallery shows different shoes for the same product

Steps:

- Open https://test.aurazone.shop/
- Click on any product
- Observe the main product image (first image)
- Click on the next thumbnail image (second slide)

Expected Result:

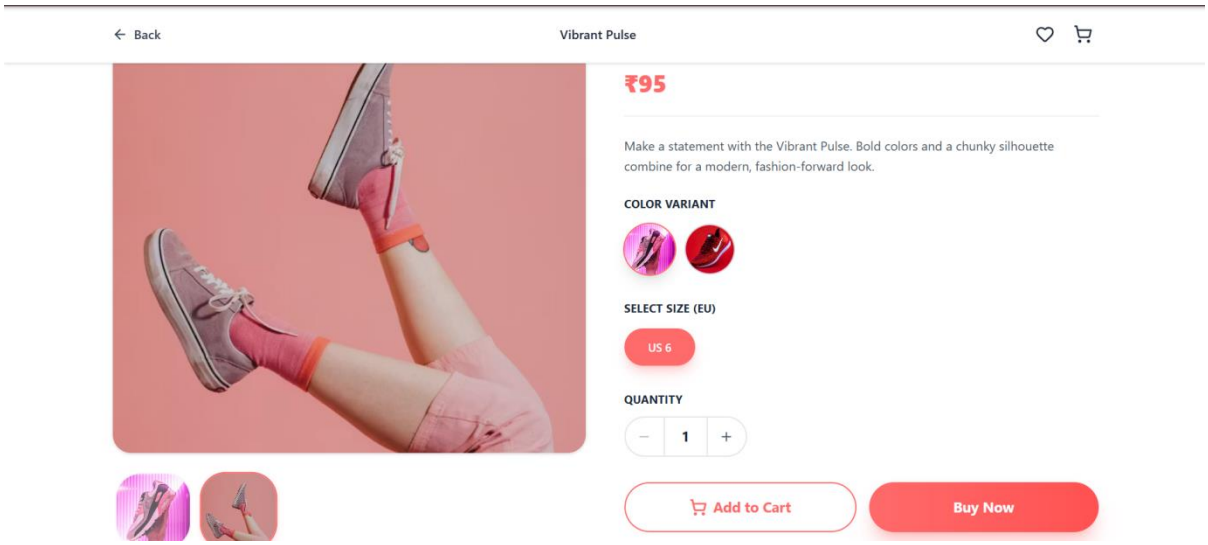
All images in the product gallery should display the **same product** (same shoe with different angles or views)

Actual Result:

Different images show **completely different shoes**, which do not match the selected product

Severity: Medium

Screenshot:



Bug 2: Search results showing unrelated products

Steps:

1. Enter “vibrant pulse” in search bar
2. Click search

Expected Result:

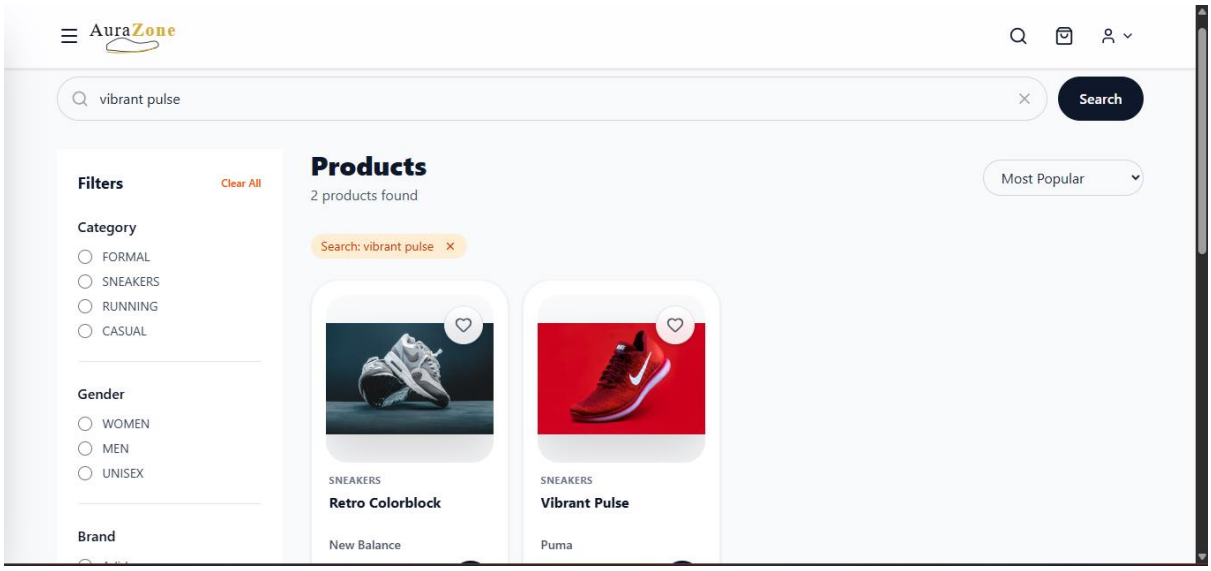
Only relevant product (“Vibrant Pulse”) should be displayed

Actual Result:

Unrelated product (“Retro Colorblock”) is also displayed

Severity: Medium

Screenshot:



Bug 3: Inconsistent price format displayed

Steps:

1. Open homepage
2. View product listings

Expected Result:

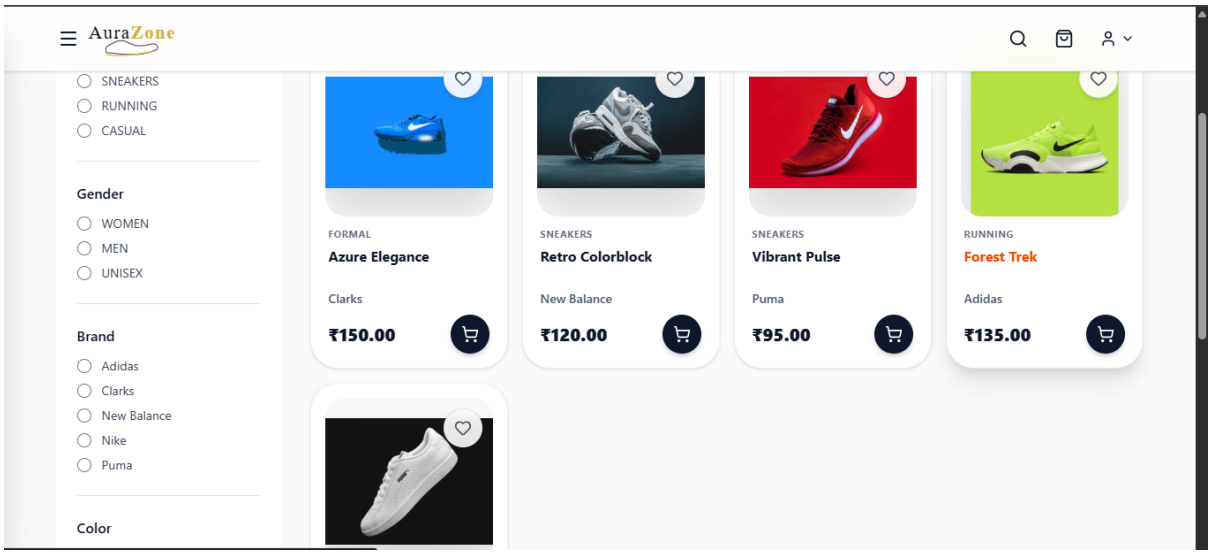
Prices should be displayed in consistent format (e.g., ₹150 or ₹150.00 uniformly)

Actual Result:

Prices displayed with unnecessary decimals (₹150.00, ₹120.00, etc.)

Severity: Low

Screenshot:



Bug 4: Product shows multiple images but only one color variant selectable

Steps:

1. Open any product page
2. Observe product images (multiple thumbnails)
3. Check "Color Variant" section

Expected Result:

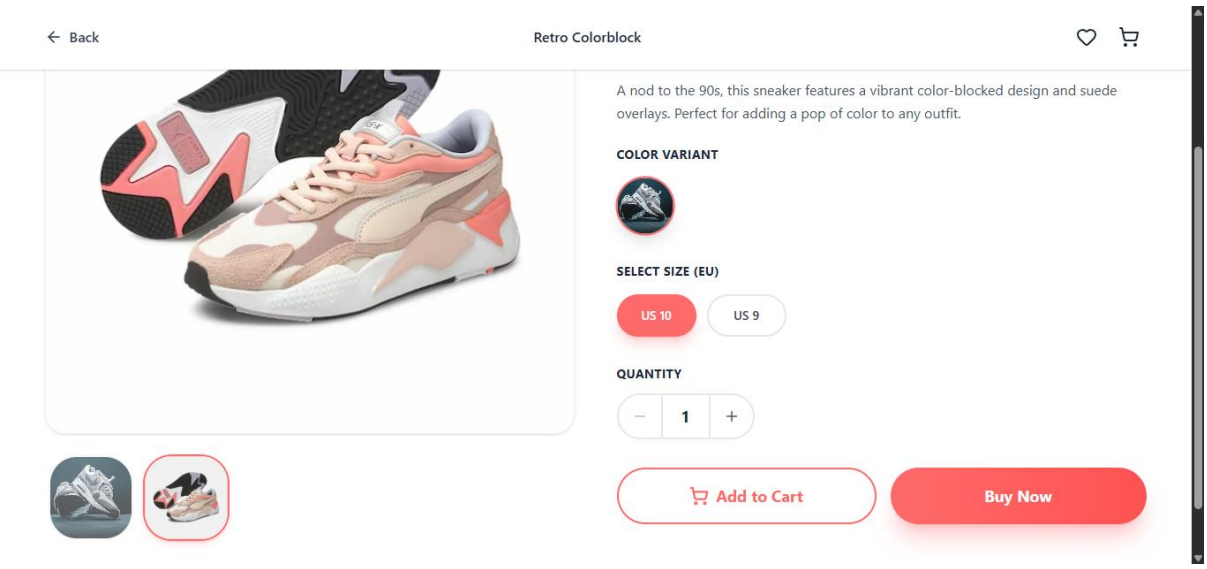
All displayed product images (color variants) should be selectable

Actual Result:

Multiple product images are displayed, but only one color variant is available for selection

Severity: Medium

Screenshot:



Bug 5: Product images showing different brand inconsistency

Steps:

1. Open any product page (e.g., Urban Street)
2. Observe product image thumbnails (first and second image)
3. Compare brand/logo shown in images

Expected Result:

All product images should belong to the same brand and same product

Actual Result:

1. First image shows a Puma branded shoe
2. Second image shows a different shoe (no Puma branding / different design)
3. Images are inconsistent and do not represent the same product

Severity: Medium
